

List of Tables

Table P.1. Developmental Therapy–Developmental Teaching Meets NCLB/IDEA Standards-Based System to Improve Instruction	xxii
Table P.2. Developmental Therapy–Developmental Teaching Parallels Theories about Stages of Personality Development	xxiii
Table 7.1. Teachers' Behavior Management Skill Scores Improve Significantly After Using a PEGS CD-ROM Program	195
Table 7.2. Students' Negative Responses Decrease Significantly After Teachers Use a PEGS CD-ROM Program	196
Table 7.3. Teachers Ignore Students Significantly Less Often After Using a PEGS CD-ROM Program	197
Table 9.1. Characteristics of Selected Sites	248
Table 9.2. Characteristics of 58 Children Participating at the Selected Sites	249
Table 9.3. Gains of Children Receiving Developmental Therapy–Developmental Teaching in 1 School Year at Five Schools	251
Table 9.4. DTORF–R Gains Made by Boys and Girls of Varying Disabilities, Severity Levels, and Ages	251
Table 9.5. Children's Rates of Item Mastery During Intervention Compared to Their Preintervention Rates	252
Table 9.6. DTORF–R Gains of Children in Different Program Options	252
Table 9.7. Concurrent Gains of 15 Preschool Children on Readiness Skills and DTORF–R Objectives	253
Table 9.8. Quality Indicators at Program Sites	254
Table 9.9. Characteristics of 279 Participating Students at 11 Replication Sites	256
Table 9.10. Gains of 279 Students in 1 School Year at 11 Replication Sites	257
Table 9.11. Analysis of Students' Gains by Primary Disability: Emotional/Behavioral	257
Table 9.12. Analysis of Students' Gains by Primary Disability: Pervasive Developmental Delay	258
Table 9.13. Analysis of Students' Gains by Disability: Autism	258
Table 9.14. Analysis of Students' Gains by Program Level: Preschool	259
Table 9.15. Analysis of Students' Gains by Program Level: Elementary School	259
Table 9.16. Analysis of Students' Gains by Program Level: Middle School	260
Table Appendix B.1. Behavior Content Grid	278
Table Appendix B.2. Communication Content Grid	279
Table Appendix B.3. Socialization Content Grid	280
Table Appendix B.4. Cognition Content Grid	283
