## About the Author

**Moya L. Andrews**, Ed.D., has written widely on the subject of childhood voice problems and is the author or coauthor of several books on voice therapy. She has taught in Australia, Great Britain, and the United States and has served as clinical supervisor for several clinics and hospitals in the United States. She is currently a professor of speech and hearing sciences at Indiana University, Bloomington, and director of the Voice Clinic.

Dr. Andrews received a B.A. degree in English from Queensland University in Brisbane, Australia, an M.A. in speech pathology and audiology from the University of California at Santa Barbara, and an Ed.D. from Columbia University. She is a certified, licensed speech-language pathologist, and a fellow of the American Speech-Language-Hearing Association.
