

# Sh-Sound Song

Sing to the tune: *Take Me Out to the Ball Game*

Sing this song and practice the new Sh.

## I Sure Like Saying the Sh Sound

I sure like saying the Sh sound.  
 I sure like saying the Sh.  
 I say it correctly all day at school.  
 I say it a lot  
 and I think it sounds cool.

### CHORUS

Oh we... should, should, should  
 learn the Sh sound.  
 Hey! I just said it right!

I hear Sh, Sh, Sh in my speech  
 Every day...and...night.

I sure like pushing the air out.  
 I sure like pushing the sound.  
 I like the new Sh when it "woosh-es" out.  
 I even like Sh when I  
shout, shout, shout, shout!

### REPEAT CHORUS

These are the Sh words in the song. Practice saying them correctly.

sure	Sh	should	pushing	wooshes	shout
------	----	--------	---------	---------	-------

If you read the words above, read the title, and sing this song, you will say 37 Sh sounds!
