CORRELATIONS CHART

SKILLS	Numbers	Counting	Ordering and Comparing	Addition	Subtraction	Measurement	Money	Shapes and Patterns	Fractions	Graphing
Numbers 0–10 (identify, count, write)	X	X	X	X	X	X			X	X
Match quantity to numeral		X	X	X	X	X	X		X	X
Number sequence			X							
Ordinal numbers (recognize and use)			X							
Patterns								X		
Greater than/less than			X		X					X
Operational vocabulary			X	X	X					
Basic facts for addition and subtraction up to 10				X	X					
Paper-and-pencil calculations				X	X					
Fractions									X	
Basic shapes using models								X		
Sort shapes								X		
Draw shapes								X		
Standard units						X				
Weight						X				
Length						X				
Capacity						X				
Temperature						X				
Bar graphs										X
Picture graphs										X
Coin identification							X			
Mathematical problems with money							X			

SKILLS at a GLANCE

UNITS / BOOKS

SKILLS	Numbers			Counting			Ordering and Comparing			Addition			Subtraction			Measurement			Money			Shapes and Patterns			Fractions			Graphing		
BOOKS	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3
Numbers 0–10 (identify, count, write)	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X				X	X	X	X	X	X
Numbers 11–20 (identify, count, write)		X	X		X	X		X	X		X	X	X	X	X		X	X	X	X	X					X	X		X	X
Numbers 21–100 (identify, count, write)			X			X						X				X	X	X	X											
Match quantity to numeral			X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X	X				X	X	X	X	X	X
Number sequence				X	X	X																								
Ordinal numbers (recognize and use)				X	X	X																								
Patterns																						X	X	X						
Greater than/less than							X	X	X				X	X	X														X	X
Operational vocabulary							X	X	X	X	X	X	X	X	X															
Basic facts for addition and subtraction up to 10										X	X	X	X	X	X															
Paper-and-pencil calculations										X	X	X	X	X	X															
Standard units																X	X	X												
Weight																X	X	X												
Length																X	X	X												
Capacity																X	X	X												
Temperature																X	X	X												
Coin identification																			X	X	X									
Mathematical problems with money																			X	X	X									
Basic shapes using models																						X	X	X						
3-D shapes																							X	X						
Sort shapes																						X	X	X						
Draw shapes																						X	X	X						
Fractions (pictorial)																									X	X	X			
Bar graphs																												X	X	X
Picture graphs																												X	X	X
