SKILLS		-															
Numbers 0–100 (identify, count, write)	X	X	Х	Х	X	X	Х		Х	X							
Match quantity to numeral		X	Х	Х	X	X	Х		Х	X							
Number sequence			Х														
Ordinal numbers (recognize and use)			Х														
Patterns								Х									
Greater than/less than			Х			x				X							
Operational vocabulary			х	х	Х												
Basic facts for addition and subtraction up to 42				х	х												
Paper-and-pencil calculations				Х	X												
Fractions									Х								
Basic shapes using models								х									
3-D shapes								х									
Sort shapes								х									
Draw shapes								х									
Standard units						х											
Weight						х											
Length						х											
Capacity						х											
Temperature						х											
Bar graphs										Х							
Picture graphs										х							
Coin identification							Х										
Mathematical problems with money							Х
