## Stop

---

Show students this *Stop* sign. This is a *Stop* sign. It means to stop and look for cars.

A *Stop* sign tells people to:

- Stop. Make the hand signal for “stop.”
- Wait for their turn. Place your hands on your hips and slowly tap one foot three times to indicate “wait.”
- Look all ways, and go when it is safe. Turn your head back and forth as if looking all around, and then begin walking forward.

# TEACHING SIGN 2

## Bike Lane

---

Show students this *Bike Lane* sign. This is a *Bike Lane* sign. It means that the small lane on the side of the street is for bike riders.

A *Bike Lane* sign tells bike riders to:

- Ride inside the bike lane. Pretend to be riding a bike. Then make a “bike lane” by straightening both arms in front of your body.

# TEACHING SIGN 3

## Playground Ahead

---

Show students this *Playground Ahead* sign. This is a *Playground Ahead* sign. It tells people that they are close to a playground and need to look for children playing.

A *Playground Ahead* sign tells drivers and bike riders to:

- **Slow down.** Move your arms as if running, and then move them slower and slower to indicate “slow down.”
- **Look for children who might run into the street.** Place your hand above your eyebrows, and look from left to right. Then point to the children on the front of this sign.
