

About the Authors

Carolyn P. Gottschall, M.S., CCC-SLP, is currently working in private practice in the San Francisco Bay area. Her clinical experience ranges from working in public and private schools to clinic and home settings. Carolyn received her B.S. and M.S. in Communicative Disorders from the University of Wisconsin-Madison.

Constance Lund Rozendaal, M.S., CCC-SLP, owns a private practice in the Seattle/Bellevue area with a focus on language and learning; however, she is currently on sabbatical in Kailua, Hawaii, with her family. Constance has worked in a variety of settings from public and private schools to clinics and home health. She received her B.S. in Speech and Hearing from the University of Washington and her M.S. in Communicative Disorders from the University of Wisconsin-Madison.

Executive Functions Training Elementary is Carolyn and Constance's second publication with LinguSystems. They are also the authors of *No-Glamour Memory*.

Acknowledgments

We would like to thank our children, Lauren Snyder and Annika and Greta Rozendaal, for their patience while we worked on this project.
