

## About the Author

---

**Lauren Kanefsky** M.S., CCC-SLP, received her bachelor's degree from George Washington University in 2001 and her master's degree in Speech-Language Pathology from Teacher's College–Columbia University, New York, in 2003. Lauren has spent the last five years working as a speech-language pathologist, providing clinical services in the public schools and in private practice. She is also involved in providing early intervention services for children under the age of three years.

Lauren currently resides in New Jersey with her husband, Matthew, and her son, Jonah. She enjoys traveling, reading, and spending time with her friends and family. *No-Glamour Inferences* is Lauren's second publication with LinguiSystems. She is also the author of *Inference Card Games*.

## Dedication

---

This book is dedicated to the two most important men in my life, my loving and supportive husband Matthew, and the most wonderful new addition to my family, my beautiful son Jonah.
