

About the Authors

Carolyn
Linda

Jane
Rosemary

Linda Bowers, M.A., SLP, is a LinguSystems co-owner and speech-language pathologist with extensive experience serving preschool and school-aged children. Her professional interests include critical thinking and language abilities of children and adults.

Rosemary Huisingh, M.A., SLP, is a LinguSystems co-owner and has served the communication needs of school-aged children for many years. Her special interests include childhood language, vocabulary, and thinking skills.

Carolyn LoGiudice, M.S., CCC-SLP, edits, writes, and coordinates product acquisitions for LinguSystems. She has broad experience serving the communication disorders of school-aged children. Carolyn's special interest is in pragmatics and thinking skills of children and adolescents.

Jane Orman, M.A., CCC-SLP, develops tests for LinguSystems. With extensive school experience, Jane has a particular interest in the language demands on students regarding assessment, critical thinking, and the school curricula.

Linda, Rosemary, Carolyn, and Jane have co-authored several tests, therapy kits, and games for LinguSystems, including the following:

The Listening Test • The Expressive Language Test
The WORD Test–Elementary, Revised • The WORD Test–Adolescent
TOPS (Test Of Problem Solving)–Elementary, Revised
TOPS (Test Of Problem Solving)–Adolescent
