

Preface: Comments to Therapists.....	7
---	----------

Introduction: What Are Executive Functions?.....	9
---	----------

Case Studies.....	11
-------------------	----

Assessment

Collecting the Patient History	13
---	-----------

Onset of Illness	14
------------------------	----

Description of the Problem	16
----------------------------------	----

Educational Background	18
------------------------------	----

Employment and Schedule.....	19
------------------------------	----

Past Medical History.....	20
---------------------------	----

Checklists and Observations.....	20
----------------------------------	----

Materials/Forms:

Patient History	21
-----------------------	----

Patient Comparison	25
--------------------------	----

Formal/Informal Assessment Tools.....	27
--	-----------

Modifications in Presentation	28
-------------------------------------	----

Modifications in Scoring	29
--------------------------------	----

Life Task Simulation.....	30
---------------------------	----

Checklists and Questionnaires	30
-------------------------------------	----

Materials/Forms:

Patient Checklist 1.....	31
--------------------------	----

Patient Checklist 2.....	32
--------------------------	----

Patient-Initiated Continuum (PIC)	33
--	-----------

Methods	33
---------------	----

Summary	34
---------------	----

PIC Examples	35
--------------------	----

Reports and Documentation.....	37
---------------------------------------	-----------

History	37
---------------	----

Subjective	38
------------------	----

Results	39
---------------	----

Interpretation.....	40
---------------------	----

Goals.....	41
------------	----

Materials/Forms

Test Score Reporting.....	43
---------------------------	----

Table of Contents

Treatment

General Treatment Guidelines	45
Metacognitive Processes	45
Self-Assessment	47
<i>Materials/Forms:</i>	
Performance Checklist.....	48
Time Management	49
External System	50
<i>Materials/Forms:</i>	
Time Estimation Worksheet	72
Time Available Equation.....	73
Attention	75
Focused Attention.....	77
Sustained Attention	78
Selective Attention	82
Alternating Attention.....	87
Divided Attention	92
<i>Materials/Forms:</i>	
Required Attention Levels	98
Activity Worksheet.....	99
Cancellation Activities.....	100
Math Equations.....	116
Auditory Attention	122
Distractions Worksheet	133
Visual Selective Attention.....	134
Task Combination Worksheet	138
Alternating Attention Math.....	139
Simultaneous Tasks Worksheet	142
Divided Attention Activities.....	143
Plan-Execute-Repair	155
<i>Materials/Forms:</i>	
Planning Form.....	166
Task Steps Activities	167
Task Sequencing Activities	171
Task Combination Activities.....	172

Table of Contents

Memory.....	173
Step 1 of Improving Memory.....	173
Step 2 of Improving Memory.....	175
Clinical Memory Tasks	178
Prospective Memory Tasks.....	179
<i>Materials/Forms:</i>	
Memory Techniques.....	180
Memory Tasks	181
Documentation	185
Sample Treatment Sessions.....	188
Answer Key.....	198
