

# Table of Contents

---

CD Index.....	6
Introduction .....	8
Chapter 1: Anatomy and Physiology .....	9
Terminology .....	9
Places of Articulation.....	11
Chapter 2: Assessment.....	13
Guidelines for Administering The <i>Cleft Palate and Craniofacial Speech Assessment (CPCSA)</i>	
Case History .....	13
Auditory-Perceptual Evaluation .....	13
Velopharyngeal Functioning Scale .....	17
Articulation Screening .....	17
Oral Peripheral Evaluation .....	20
Instrumental Measures .....	23
Clinical Considerations.....	25
The CPCSA Forms	
Case History .....	27
Auditory-Perceptual Evaluation .....	31
Velopharyngeal Functioning Scale.....	35
Articulation Screening .....	36
Oral-Peripheral Evaluation .....	38
Example Auditory-Perceptual Evaluation.....	41
Example Velopharyngeal Functioning Scale .....	45
Example Articulation Screening.....	46
Example Oral-Peripheral Evaluation .....	48
Chapter 3: Best Practices .....	51
Behavior Modification Approach.....	51
Child-Centered Therapy .....	52
Phonological Developmental Model.....	52
Team Approach .....	53
Prelinguistic Speech Development.....	54
Chapter 4: Prevention or Reduction of Speech Problems.....	55
Common Craniofacial Conditions .....	55
Cleft Lip and/or Alveolus.....	56
Submucous Cleft Palate.....	57
Cleft Palate.....	58
Pierre Robin Sequence.....	60
Ear Anomalies .....	61
Hemifacial Microsomia.....	61
Velocardiofacial Syndrome.....	62
Craniosynostosis.....	63
Chapter 5: Early Speech Intervention.....	65
Manual Manipulation .....	65
Encourage Babbling.....	66
Reduce Maladaptive Compensatory Sound Errors.....	67
Teach High-Pressure Consonants.....	68

Chapter 6: Treatment of Compensatory Errors of Speech .....	70
General Principles.....	70
Treatment Plan.....	71
Order of Treatment .....	72
Glottal Stops.....	73
Nasal Consonants for Oral Consonants .....	80
Nasal Fricatives/Pharyngeal Fricatives.....	82
Pharyngeal Affricates .....	92
Pharyngeal Stops (/k, g/, pages 78-79)	
Mid-Dorsum Palatal Stops.....	94
Adolescents and Adults .....	100
Home/School Programming.....	102
Word, Phrase, and Sentence Lists	
/h/.....	103
/p/(all word positions) .....	104
/b/ (all word positions).....	105
/t/ (all word positions).....	106
/d/ (all word positions) .....	107
/k/ (all word positions).....	108
/g/ (all word positions) .....	109
/s/ (all word positions) .....	110
/θ/ (final).....	111
/θs/ (final).....	111
/ʃ/ (all word positions) .....	112
/f/ (all word positions).....	113
/tʃ/ (all word positions).....	114
/dʒ/ (all word positions) .....	115
/nt/ (final) .....	116
/nd/ (final) .....	116
/lt/ (final) .....	117
/ld/ (final).....	117
Chapter 7: Management of Velopharyngeal Functioning.....	118
Speech Therapy for Obligatory Errors.....	118
Weak Consonant Strength/Intraoral Air Pressure .....	118
Nasal Turbulence, Posterior Nasal Fricatives, or Coarticulated Audible Nasal Air Emission .....	120
Consonant Distortion Due to Malocclusions.....	121
Hyponasal Resonance Due to Craniofacial Conditions .....	122
Experimental Techniques .....	123
Prosthetic Management.....	123
Open-Mouth Posture Words, Phrases, and Sentences .....	125
Hard and Effortful Contact Words, Phrases, and Sentences.....	127
Plosive Words, Phrases, and Sentences .....	128
Continuant Words, Phrases, and Sentences .....	129
/s/ Words, Phrases, and Sentences by Facilitating Consonants .....	131
Final Nasal Words, Phrases, and Sentences .....	133
Bibliography.....	134

# CD Index

---

## Pictures and/or scenes for eliminating CES

/h/ .....	1
/p/ (all word positions) .....	3
/b/ (all word positions) .....	9
/t/ (all word positions) .....	15
/d/ (all word positions) .....	21
/k/ (all word positions) .....	27
/g/ (all word positions).....	33
/s/ (all word positions).....	39
/θ/ (final).....	45
/θs/ (final).....	47
/ts/ (final).....	48
/ʃ/ (all word positions).....	49
/f/ (all word positions).....	55
/tʃ/ (all word positions).....	61
/dʒ/ (all word positions).....	67
/nt/ (final).....	73
/nd/ (final).....	75
/lt/ (final).....	77
/ld/ (final).....	79

## Pictures and scenes for improving intelligibility by reducing symptoms of VPD

Open-Mouth Posture /h/ Pictures .....	81
Open-Mouth Posture /h/ Scene .....	82
Open-Mouth Posture /æ/ Pictures.....	83
Open-Mouth Posture /ɛ/ Pictures .....	84
Open-Mouth Posture /a/ Pictures .....	85
Open-Mouth Posture /ɔ/ Pictures .....	86
Open-Mouth Posture /aɪ/ Pictures.....	87
Open-Mouth Posture /æ, ɛ, a, ɔ, aɪ/ Scene.....	88
Hard and Effortful Contact Pictures .....	89
Hard and Effortful Contact Scene.....	90
Facilitating /n/→ /s/ Pictures .....	91
Facilitating /l/→ /s/ Pictures .....	92
Facilitating /t/→ /s/ Pictures .....	93
Facilitating /d/→ /s/ Pictures .....	94
Facilitating /n, l, t, d/→ /s/ Scene .....	95
Final /m/ Pictures.....	96
Final /n/ Pictures.....	97
Final /ŋ/ Pictures.....	98
Final Nasal Consonants Scene .....	99

The following pages are found in *The Source for Cleft Palate and Craniofacial Speech Disorders* and are fully-printable. They are included on the CD for your convenience.

Chapter 2: Assessment

The CPCSA Forms

- Case History
- Auditory-Perceptual Evaluation
- Velopharyngeal Functioning Scale
- Articulation Screening
- Oral-Peripheral Evaluation

Chapter 6: Treatment of Compensatory Errors of Speech

Word, Phrase, and Sentence Lists

- /h/
- /p/(all word positions)
- /b/ (all word positions)
- /t/ (all word positions)
- /d/ (all word positions)
- /k/ (all word positions)
- /g/ (all word positions)
- /s/ (all word positions)
- /θ/ (final)
- /θs/ (final)
- /ʃ/ (all word positions)
- /f/ (all word positions)
- /tʃ/ (all word positions)
- /dʒ/ (all word positions)
- /nt/ (final)
- /nd/ (final)
- /lt/ (final)
- /ld/ (final)

Chapter 7: Management of Velopharyngeal Functioning

- Open-Mouth Posture Words, Phrases, and Sentences
- Hard and Effortful Contact Words, Phrases, and Sentences
- Plosive Words, Phrases, and Sentences
- Continuant Words, Phrases, and Sentences
- /s/ Words, Phrases, and Sentences by Facilitating Consonants
- Final Nasal Words, Phrases, and Sentences
