

About the Author

Carol Krakower, M.A. CCC-SLP, thoroughly enjoys helping people communicate through the science and art of speech pathology. Carol's private practice, Cornerstone Speech & Language, is in Manasquan, New Jersey. With a master's degree in speech pathology from the College of New Jersey, she has many years of experience in a variety of settings, including preschools, elementary and high schools, specialized schools, and private practice. Carol is a member of the Jersey Shore Storytellers and has coached students in public speaking to national championships. She lives with her husband, children, and cats at the beautiful Jersey shore. Her enthusiasm for speaking must be contagious—two of her five children are now speech pathologists.
