### A Week at the Farm

"I think Scott would like to go to the farm for a week?" said Judy's mother to Scott's mother. "He would like that," said Scott's mother. "He can learn many things he could learn on a farm. I would go to a farm with my daughter where I learned to milk a cow. In the future we would get on horses and circle the things that were going on."

"Let me go with us," said Judy's mother. "I would like to go with you because it is a full day's ride to the farm."

Lesson 257

**54**

### Riding a Horse

In the morning, they got Scott and went to the farm. It was a long ride, but by night they were there.

The first morning on the farm, Scott got up and said, "The first thing I want to learn to do is ride a horse."

"I can show you how," said Judy. "My father showed me when I was a little girl. We will take a slow ride in a big circle first, but not for very long. As you get to know the horse, you can ride fast and go for a long time. Maybe by the end of the week you can do that, but not today."
