Reading Milestones

Fourth Edition

**Now with Reading Milestones Interactive –
Online Readers, Workbook, and Spelling Activities!**

An Alternative Reading Program for:

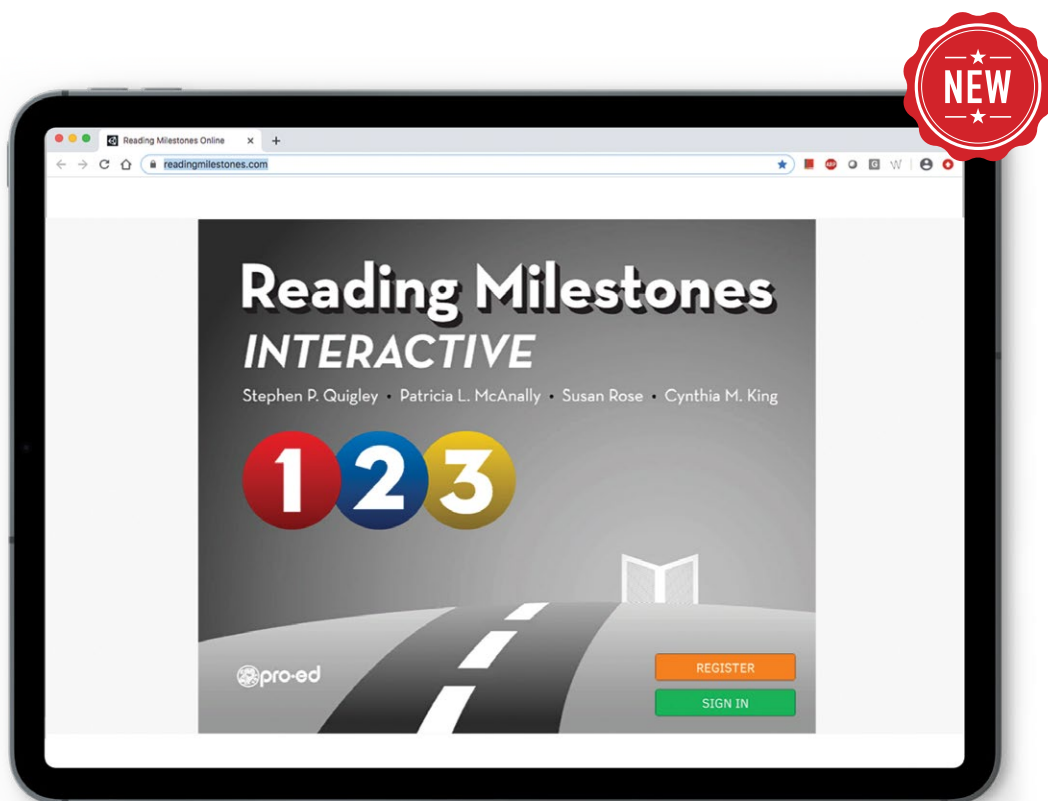

- Deaf and hard-of-hearing students
- Students with learning disabilities
- Students with autism
- Struggling readers

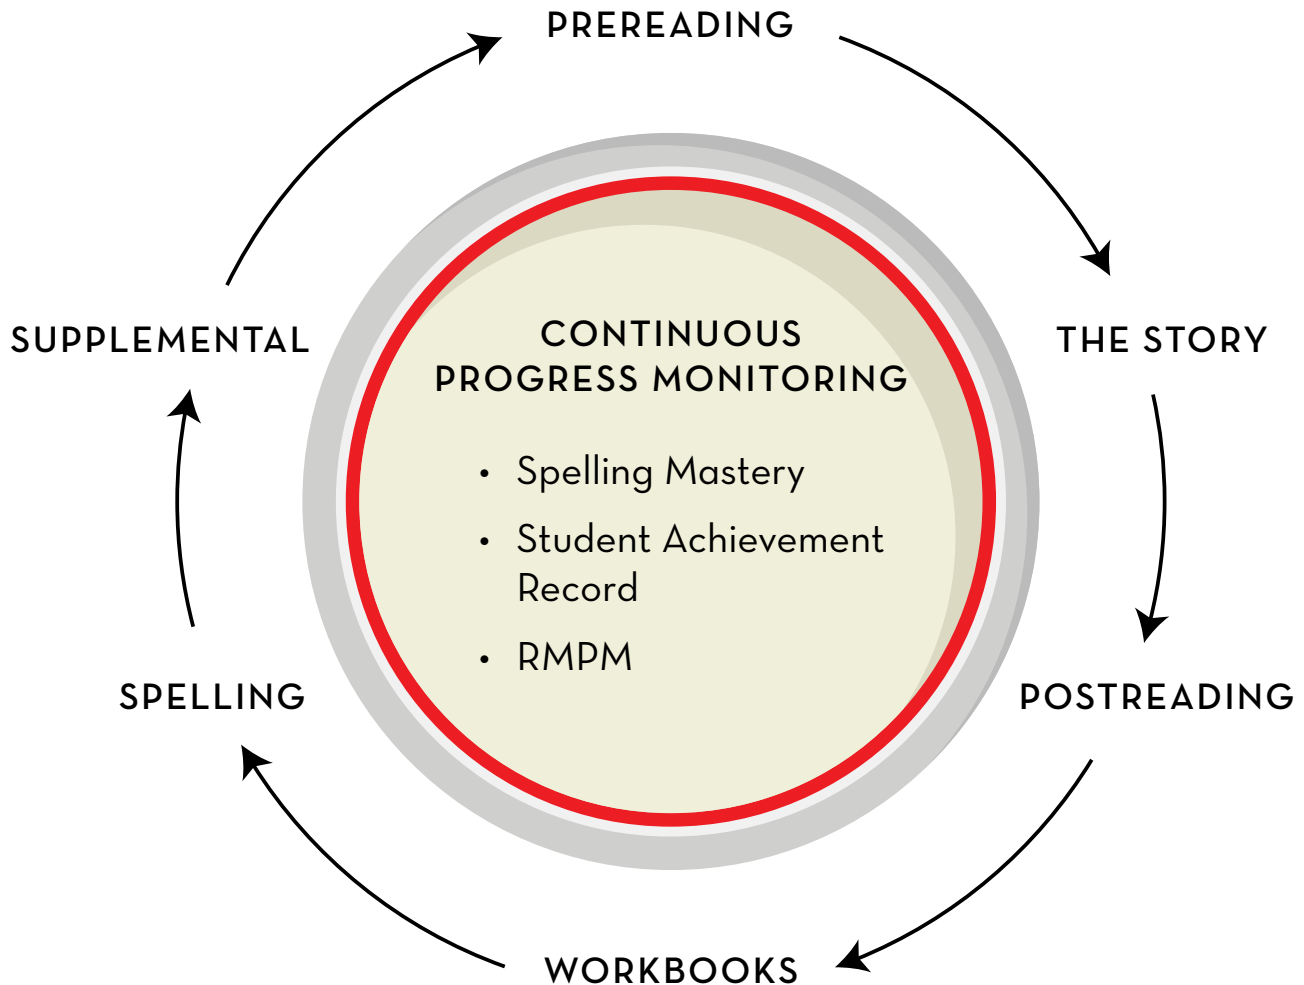

Reading Milestones is the most popular reading program of its kind. This successful alternative, language-controlled program is designed to take readers to approximately a fourth-grade reading level. Reading materials are designed to match students' language levels and progress in steps small enough to ensure their continued success in reading. *Reading Milestones* accommodates the needs of learners and has been developed to maximize their opportunities for success.

Reading Milestones includes

- Instructions to develop phonemic awareness and phonics.
- Repeated oral reading with feedback and guidance, development of word-recognition skills, and automaticity of vocabulary and sight words to improve reading fluency.
- Development of vocabulary concepts including experiential activities and schema-based strategies, with activities reinforcing research-based comprehension strategies such as prediction, question-answer relationships, monitoring, and summarizing.

Suggested Lesson Sequence

Methodology

- Students work in very small steps, accompanied by constant reinforcement, to ensure continuing success in reading and language acquisition.
- Vocabulary, language structures, and comprehension skills are introduced in small and constantly reinforced increments.
- The Teacher's Guide contains detailed, easy-to-use, step-by-step instructions for teaching each story.

Features

- Adjusted language level
- Controlled vocabulary
- Controlled syntax

RMPM: Reading Milestones Placement and Monitoring

Susan Rose • Patricia L. McNally

Reading Milestones Placement and Monitoring (RMPM) is a valid and reliable assessment. It was designed to (a) provide an efficient guide to the identification of the initial instructional level within **Reading Milestones**, (b) establish a baseline of performance, and (c) monitor student growth within the program.

The RMPM can be administered by classroom teachers, special education teachers, reading specialists, school psychologists, or any other individuals with some training in standardized test administration. The test can be administered to entire classes, small groups, or individual students in approximately 10 minutes.

Two equivalent Student Record Forms (A and B) and a Student Progress Report are provided.

Special Features of the RMPM

- Designed for use with any edition of *Reading Milestones*
- For use with all levels of *Reading Milestones* (Levels 1-6)

- Includes scoring keys for ease of determining results
- Student Record Forms have both example items and practice items
- Six scoring exercises are provided for examiner practice
- Procedures for both class or small-group and individual administration are provided in the manual

COMPLETE RMPM KIT INCLUDES: Examiner's Manual, 10 Student Record Forms A, 10 Student Record Forms B, and 10 Student Progress Reports, all in a sturdy storage box. (©2012)
