

## About the Author

**Mary Downing Benbow, M.S., OTR**, received a B.A. in Occupational Therapy from the State University of Iowa in 1960 and an M.S. degree from Boston University in 1987. Her concentration was in anatomical research as it relates to developmental hand skills. Her practical experience includes work as a Clinical Associate for Boston University, a Consulting Therapist for Cohasset Public Schools, a Clinical Supervisor for the Massachusetts Department of Mental Health, and an Occupational Therapist for the Center for the visually impaired. Ms. Benbow also provided developmental therapy for high-risk infants as a private practitioner. Among her published works are "Tactile System in Autism" in *Spectrum of Autistic Disorders Childhood, Live Relations and Space Relations* (perceptual motor strategy kits for kindergarten and first-grade children).
