vi Essentials of Chemical Dependency Counseling

**Chapter 4**

**The Counseling Process . . . . . 73**

Chapter Objectives . . . . . 73

Chemical Dependency Counselor Skills . . . . . 74

Individual Counseling . . . . . 87

Seeking and Selecting a Personal Approach to Counseling . . . . . 102

Documentation . . . . . 103

Supervision . . . . . 105

Client and Community Education . . . . . 107

**Chapter 5**

**Characterizing Clients and Assessing Their Needs . . . . . 109**

Chapter Objectives . . . . . 109

Diagnosis . . . . . 110

Defining the Problem . . . . . 117

Definitions and Diagnoses . . . . . 120

Case Examples . . . . . 125

Goal Setting . . . . . 132

Client Motivation . . . . . 134

**Chapter 6**

**Group Counseling in the Treatment of Chemical Dependency . . . . 139**

Chapter Objectives . . . . . 139

Why Use Groups? . . . . . 140

The Advantages of Groups . . . . . 142

The Limitations of Groups . . . . . 142

Types of Groups . . . . . 143

The Behavioral Approach to Groups . . . . . 146

What Is Therapeutic About Groups? . . . . . 147

Failures in Groups . . . . . 152

Group Goals and Objectives . . . . . 153

The Group Leader . . . . . 156

Evaluating Group Counseling Skills . . . . . 157

Choosing Group Members . . . . . 161

Group Process . . . . . 163

Ethical and Professional Issues . . . . . 168

Seven Common Questions From New Group Leaders . . . . . 170

**Chapter 7**

**Family Counseling: Seeing the Family as the Client . . . . . 175**

Chapter Objectives . . . . . 175

The Roots of Family Therapy . . . . . 176

Key Concepts in Viewing the Family as the Client . . . . . 177

Theories of Family Therapy . . . . . 189

Descriptions of the Alcoholic and Addict Family System . . . . . 209

The Intergenerational Transmission of Alcoholism . . . . . 213

Resilient Children of Alcoholics . . . . . 216

Evaluation of Family Therapy Treatment of Alcoholism . . . . . 219

**Chapter 8**

**Dealing With Diversity . . . . . 229**

Chapter Objectives . . . . . 229

Age and Developmental Stage . . . . . 231

Family History and Genetics . . . . . 235

Gender and Sexual Functioning . . . . . 240

Mental Health and Personality . . . . . 245

Employment and Related Issues . . . . . 246

Racial and Cultural Affiliations . . . . . 248

Sexual Orientation . . . . . 249

Religion . . . . . 250

Medical Problems . . . . . 251

Exposure to the Criminal Justice System . . . . . 252

Emotional Stress or a History of Personal Trauma . . . . . 253

Drugs of Choice . . . . . 257

Other Addictions . . . . . 257

## **Chapter 9**

### **Psychopharmacology and the Chemical Dependency Counselor . . . 261**

Chapter Objectives . . . . .	261
What Chemical Dependency Counselors Need to Know About Psychopharmacology . . . . .	262
Future Directions of Research. . . . .	264
Who Can Prescribe Medications . . . . .	264
Classes of Drugs . . . . .	265

## **Chapter 10**

### **Aftercare and Relapse Prevention. . . . . 275**

Chapter Objectives . . . . .	275
Aftercare . . . . .	277
Relapse Prevention . . . . .	283

## **Chapter 11**

### **Counseling Those Reluctant to Recover . . . . . 307**

Chapter Objectives . . . . .	307
Why Don't People Change? . . . . .	307
The Principles of Effective Treatment. . . . .	308
The Counselor's Role in a Patient's Lack of Response to Treatment . . . . .	317

## **Chapter 12**

### **Harm Reduction: A (Relatively) New Concept of Care. . . . . 323**

Chapter Objectives . . . . .	323
Harm Reduction Described . . . . .	324
Examples of Harm-Reduction Approaches in Prevention of Intoxication. . . . .	325
Alcohol Skills Training Program (ASTP) Groups as an Example of Harm Reduction. . . . .	331

## **Chapter 13**

### **Treatments That Work: Evidence-Based Therapies . . . . . 343**

Chapter Objectives . . . . .	343
A Sampling of Psychosocial Evidence-Based Practices . . . . .	345

Matching Patients to Effective Treatments . . . . . 353

Therapist Characteristics . . . . . 355

Duration and Amount of Treatment . . . . . 357

Treatment Settings . . . . . 359

  

**Chapter 14**

**How to Survive in a Chemical Dependency Agency . . . . . 365**

Chapter Objectives . . . . . 365

Some Initial Considerations . . . . . 366

Early Job Adjustment in an Agency . . . . . 374

Communication Issues Within an Agency . . . . . 377

Maintaining Communication With Outside Agencies . . . . . 385

Long-Range Counselor Job Adjustment: Dealing With Ethical Issues . . . . 388

Long-Range Counselor Survival: Job Adjustment and Avoiding Burnout . . 391

Job Selection: A Critical Choice in Counselor Survival . . . . . 400

Addendum . . . . . 407

  

**Index . . . . . 415**

**About the Authors . . . . . 435**
