| Preface | ix |
| Acknowledgments | xi |
| 1. Introduction to the STAR Program, Second Edition | 1 |
| Changes to the Second Edition | 1 |
| Students | 2 |
| Curriculum | 2 |
| Instructional Strategies | 3 |
| Benefits and Outcomes | 3 |
| Research Basis | 4 |
| Using This Manual | 4 |
| 2. The STAR Program: Getting Started | 7 |
| Materials | 7 |
| Getting Started | 8 |
| Steps 1 and 2: Student Learning Profile | 8 |
| Step 3: Gather the Lesson Folders, Materials, Data Sheets, and Reinforcers | 16 |
| Step 4: Set Up a Classroom Schedule | 24 |
| Step 5: Arrange the Environment for a Variety of Groupings and Activities | 24 |
| Step 6: Practice | 25 |
| Step 7: Teach | 25 |
| Step 8: Collect Data, Analyze, and Make Program Revisions | 26 |
| Step 9: Document Achievement | 27 |
| Step 10: Communicate with Families | 27 |
| 3. Overview of Instructional Strategies and Curriculum Areas | 29 |
| Instructional Strategies Used in the STAR Program | 29 |
| Curriculum Areas in the STAR Program | 33 |
| Interaction of Instructional Strategies and Curriculum Areas | 38 |
| 4. Autism and the Research Basis for the STAR Program | 41 |
| Autism and Effective Interventions | 42 |
| Research on Intervention Strategies | 48 |
| Research on Autism and How It Relates to the STAR Program | 48 |

| | |
|---|------------|
| The STAR Program Research | 49 |
| Research on Instructional Strategies Used in the STAR Program | 51 |
| Importance of Fidelity of Implementation Throughout the STAR Program | 54 |
| Importance of Staff Training | 54 |
| 5. Introduction to Behavioral Principles | 55 |
| History of the ABC System | 55 |
| Issues to Address When Using a Reinforcer as a Consequence | 58 |
| Relationship of Behavioral Principles to Teaching Strategies | 60 |
| Using Behavioral Principles to Teach New Behaviors and Modify Other Behaviors | 61 |
| Identifying and Practicing the ABCs of Behavioral Principles | 62 |
| 6. Discrete Trial Training | 71 |
| Examples of the DT Format | 71 |
| Using DT in the STAR Program | 72 |
| Link Between Discrete Trial Training and Curriculum Areas | 73 |
| Getting Started | 76 |
| Implementing DT | 77 |
| 7. Pivotal Response Training | 105 |
| Examples of the PRT Format | 106 |
| PRT Levels and Lessons | 106 |
| Implementing PRT | 110 |
| Generalization | 140 |
| 8. Functional Routines Instruction | 145 |
| Level I FR Lessons | 146 |
| Level II FR Lessons | 146 |
| Level III FR Lessons | 147 |
| Examples of the FR Format | 147 |
| Implementing FR Instruction | 149 |
| Conclusion | 193 |
| 9. Implementing a Positive Behavior Plan | 195 |
| Case Studies | 195 |
| The Effect of Environment on Behavior | 196 |
| Proactive and Reactive Strategies | 197 |
| The Function of a Behavior | 198 |
| Conducting a Behavior Assessment and Functional Analysis | 198 |
| 10. Putting It All Together | 215 |
| STAR Component 1: Student Assessment and Coordinating with IFSP and IEP Goals | 215 |
| STAR Component 2: Organizing the Program | 217 |
| STAR Component 3: Designing the Classroom Schedule | 228 |

| | |
|--|-----|
| STAR Component 4: Generalizing Skills Learned in Individual Lessons During Functional Routines | 245 |
| STAR Component 5: Involving Typical Peers | 252 |
| STAR Component 6: Training Program Staff | 253 |
| STAR Component 7: Monitoring Progress Using the STAR Student Learning Profile and Standardized Assessments | 255 |
| STAR Component 8: Organizing Data and Program Paperwork | 256 |
| STAR Component 9: Everyone Has a Role | 257 |
| STAR Component 10: Involving the Family | 258 |
| Appendix: The STAR Program Training and Consultation Services | 263 |
| References | 265 |
| About the Authors | 275 |
