

# CORRELATIONS CHART

SKILLS	UNITS									
	Numbers	Counting	Ordering and Comparing	Addition	Subtraction	Measurement	Money	Shapes and Patterns	Fractions	Graphing
Numbers 0–20 (identify, count, write)	X	X	X	X	X	X	X		X	X
Match quantity to numeral		X	X	X	X	X	X		X	X
Number sequence			X							
Ordinal numbers (recognize and use)			X							
Patterns							X			
Greater than/less than			X			X				X
Operational vocabulary			X	X	X					
Basic facts for addition and subtraction up to 19				X	X					
Paper-and-pencil calculations				X	X					
Fractions								X		
Basic shapes using models							X			
3-D shapes							X			
Sort shapes							X			
Draw shapes							X			
Standard units						X				
Weight						X				
Length						X				
Capacity						X				
Temperature						X				
Bar graphs										X
Picture graphs										X
Coin identification							X			
Mathematical problems with money							X			

# SKILLS at a GLANCE

SKILLS	UNITS																																															
	Numbers									Counting									Ordering and Comparing									Addition			Subtraction			Measurement			Money			Shapes and Patterns			Fractions			Graphing		
	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3	1	2	3									
Numbers 0–10 (identify, count, write)	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x										x	x	x	x	x	x												
Numbers 11–20 (identify, count, write)		x	x		x	x		x	x		x	x		x	x		x	x		x	x											x	x		x	x												
Numbers 21–100 (identify, count, write)			x			x			x																x	x	x	x	x	x																		
Match quantity to numeral				x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x	x										x	x	x	x	x	x												
Number sequence							x	x	x																																							
Ordinal numbers (recognize and use)							x	x	x																																							
Patterns																												x	x	x																		
Greater than/less than							x	x	x							x	x	x																			x	x										
Operational vocabulary							x	x	x	x	x	x	x	x	x																																	
Basic facts for addition and subtraction up to 10										x	x	x	x	x	x																																	
Paper-and-pencil calculations										x	x	x	x	x	x																																	
Standard units																x	x	x																														
Weight																x	x	x																														
Length																x	x	x																														
Capacity																x	x	x																														
Temperature																x	x	x																														
Coin identification																						x	x	x																								
Mathematical problems with money																						x	x	x																								
Basic shapes using models																												x	x	x																		
3-D shapes																																		x	x													
Sort shapes																												x	x	x																		
Draw shapes																												x	x	x																		
Fractions (pictorial)																															x	x	x															
Bar graphs																																					x	x	x									
Picture graphs																																					x	x	x
