

Introduction to the *Teacher's Resource Book*

Welcome to *SpellRead*

SpellRead is a small-group, reading intervention program that focuses on phonological automaticity and reading fluency. Backed by independent research, *SpellRead* combines intensive phonemic and phonetic activities with leveled readers and trade books to build students' reading comprehension. *SpellRead's* power and effectiveness has been demonstrated through concrete results in the classroom.

Tools for the Teacher

The *Teacher's Resource Book* is an essential companion to the *SpellRead Teacher's Manuals*. Here you'll find the resources you need to prepare for the *SpellRead* lessons. This book is comprised of seven sections, each filled with information or reproducible teaching tools that will make your job as a *SpellRead* teacher easier and more effective. Each section begins with a brief introduction and a list of the contents within it.
