

About the Author

Paul Morris, M.S., CCC-SLP, has worked in a variety of public school settings for the past seven years. Since graduating from Central Missouri State University, he has worked in schools in Oregon and in the Clark County School District in Las Vegas, Nevada. Paul has a special interest in working with late elementary and secondary students with language delays.

101 Language Activities is Paul's first publication with LinguiSystems.

Dedication

To my incredibly supportive wife, Teresa, and to my beautiful son, Anderson. You both mean everything to me.
