

About the Author

Kathy & Zanmi

For more than 25 years, **Kathryn J. Tomlin**, M.S., CCC-SLP, has worked with children, adolescents and adults with impairments in communication, oral-motor skills and swallowing due to various etiologies. She is also the author of these therapy books:

- *WALC 2–Cognitive Rehab*
- *WALC 8–Word Finding*
- *WALC 9–Verbal and Visual Reasoning*
- *WALC 10–Memory*
- *WALC 11–Language for Home Activities*
- *The Source for Apraxia Therapy*

Zanmi, Kathy's Samoyed, goes to work with her to encourage the clients. They enjoy feeding and spending time with Zanmi, and Zanmi distracts them from their present situations and their communication difficulties. Everybody wins!
