## About the Author

---

**Linda Mulstay-Muratore**, M.A., CCC-SLP, has worked as a speech-language pathologist in private practice since her graduation in 1996 from St. John's University in New York. She gained her experience with children with PDD/autism and Applied Behavior Analysis (ABA) while in college working with families in home-based educational ABA programs. Linda now does both consulting and direct therapy for children in early intervention and preschool, writing programs for and working in conjunction with teams of special educators.

Linda is the author of *Autism & PDD: Abstract Concepts, Levels 1 and 2*, and *Reinforcers To Go*. *No-Glamour Listening Comprehension* is her third publication with LinguSystems.
