# Contents

**xi** Preface

**1** Chapter 1: Introduction to Processing Disorders

- **1** Background Information
- **3** A Processing Task
- **6** A Definition of *Processing*
- **7** Bottom-Up Versus Top-Down Processing Models
  - **7** Bottom-Up Processing Model
  - **7** Top-Down Processing Model
- **10** The Neurology of Processing and Learning
- **10** The Processing Continuum
- **11** Processing Terminology
- **12** Summary Comments

**13** Chapter 2: The Central Auditory Processing Model

- **13** Anatomy and Physiology of the Auditory System
- **16** Neurological Maturation of the Auditory System
- **17** Philosophy of Central Auditory Processing
- **20** Central Auditory Nervous System Outline
- **21** Quick Quiz Questions

**23** Chapter 3: The Language Processing Model

- **24** Anatomy and Physiology of the Language System
- **27** Neurological Maturation of the Language Processing System
- **29** Philosophy of Language Processing
- **30** Clinical Model of a Processing Continuum
- **32** Functional Units Outline: Anatomy and Physiology of the Language Processing System
- **33** Quick Quiz Questions

From The Source® Processing Disorders, 2nd Ed, by Gail J. Richard, N. Austin, TX: PRO-ED. Copyright 2017 by PRO-ED, Inc.

**35** Chapter 4: Behavior Characteristics in Processing Disorders

**35** Student Examples of Processing Disorders

**40** Central Auditory Processing Problems

**44** Language Processing Problems

**47** Preschool Precursory Behavioral Profile for Processing Problems

**51** Behavior Checklists

**55** Chapter 5: Processing Assessment

**56** Central Auditory Processing Assessment

**56** Purpose of Central Auditory Processing Assessment

**56** Prerequisites for CAP Assessment

**57** Types of Audiological CAP Assessment Procedures

**59** CAP Assessment Cautions

**60** CAP Assessment Battery

**61** CAP Assessment Challenges

**62** Functional Auditory Skills Assessment

**63** Purpose of Functional Auditory Skills Assessment

**64** Prerequisites for Functional Auditory Skills Assessment

**64** Types of Functional Auditory Skills

**65** Functional Auditory Skills Assessment Cautions

**65** Sample Tests to Evaluate Functional Auditory Skills

**68** Language Processing Assessment

**68** Sample Language Processing Hierarchy

**69** Purpose of Language Processing Assessment

**70** Prerequisites for Language Processing Assessment

**70** Types of Language Processing Assessment Procedures

**71** Language Processing Assessment Cautions

**72** Language Processing Skills Assessment

**74** Adjunct Areas of Language Processing Assessment

**75** Language Processing Assessment Battery

**76** Language Processing Assessment Summary Comments

**77** Case Examples of Processing Assessment

**95** Summary Charts of Case Interpretations

From The Source® Processing Disorders, 2nd Ed, by Gail J. Richard, N. Austin, TX: PRO-ED. Copyright 2017 by PRO-ED, Inc.

**97** Chapter 6: Remediation for Auditory Processing Disorders

**97** Compensatory Strategies for CAPD

**98** Teacher Modification Strategies for CAPD

**100** Student Modification Strategies for CAPD

**102** Specific Skill Remediation for CAPD

**103** Acoustic-Feature Skill Intervention

**106** Phonemic Functional Auditory Skill Intervention

**114** Applied Auditory Skills

**114** Efficacy Research on CAPD Treatment Programs

**115** Summary Comments

**117** Chapter 7: Remediation for Language Processing Disorders

**119** Compensatory Strategies for Language Processing Disorders

**120** Memory

**121** Word Retrieval

**125** Teacher Compensatory Strategies for Language Processing Disorders

**127** Student Compensatory Strategies for Language Processing Disorders

**129** Specific Skills Intervention for Language Processing Disorders

**130** Discrete Language Processing Hierarchy

**133** Executive Functions

**134** Applied Language Processing Skills

**135** Guidelines for Language Processing Therapy

**137** Summary Comments

**139** Chapter 8: Summary Thoughts and Suggestions

**139** Relationship Between Central Auditory Processing Disorders and Language Processing Disorders

**140** Additional Intervention Ideas

**140** Bloom's *Taxonomy*

**142** Multiple Intelligences

**146** Games

**148** Sample Diagnostic Report

**155** Conclusion

**157** Answer Key

**159** References
