

## **GUIDELINES FOR DEVELOPING A BOOK/MATERIALS PROSPECTUS**

PRO-ED publishes in the areas of **special and remedial education, speech and language pathology, psychology/counseling, occupational therapy, and rehabilitation.** For PRO-ED to consider your work for possible publication, please provide a prospectus containing the following information:

- Title of the project
- Overview (purpose, rationale, scope)
- Target audience(s)
- Outline of proposed components
- Comparison to competing materials
- Estimated completion date of manuscript
- Proposed length/size
- Table of Contents
- 1–2 completed chapters or product prototype
- Qualifications of author(s), including curriculum vitae
- Listing of contributors (if an edited work)

Upon receipt of these materials, we will review your proposal carefully and decide if it fits with PRO-ED's line of products. After we complete this initial review process, we will notify you of our decision regarding possible publication. In the meantime, if you have any questions, please feel free to contact us.

We appreciate your interest in choosing PRO-ED as a potential publisher and look forward to hearing from you.
